### **REASONS FOR ALLOWANCE**

The following is an examiner's statement of reasons for allowance:

The Applicant has followed the Examiner's remarks in regard to amending the dependent claims that were objected to in the Non-Final Office Action (filed on 1/20/06), by rewriting them in independent form. By amending the claims in this fashion, the Applicant has added further limitations that are not anticipated or rendered obvious by, Cunha et al. (U.S. 2002/0023457 A1), Savage (U.S. Re. 32,354), Fortier, Jr. et al. (U.S. 6,131,861) and Butsch et al. (U.S. 6,101,835); the closet prior art. One of ordinary skill in the art would not have rendered this/these elements obvious without impermissible hindsight. Thus, the claim(s) are patentable over the prior art.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
